BRAMPTON PARK
GOLF CLUB

Driving Range

Our driving range is open to the public alongside our members from dawn until dusk, with an average footfall of 27,375 per annum. Visitors of the range are diverse, but mostly local with an interest in golf.

We have space available inside the driving range building including a leaflet stand and advertising boards. There is also advertisement availability on the driving range itself.

Leaflets could be tri-fold or A5 size. The width of our indoor boards can be up to 3m in length. Speak to Richard for more information richard@bramptonparkgc.co.uk.

Clubhouse

Our lively Clubhouse is open daily for our members and to the public, 364 days a year with good footfall through our foyer.

Our foyer has a digital advertising screen with rotating advertisements every 10 seconds throughout the day on a loop. Your advert has the potential to be seen by a large, diverse and mostly local audience.

Advertisements can be updated by you throughout the year to reflect new marketing campaigns you are running. These can be emailed to officemanager@bramptonparkgc.co.uk.

Website

Your business will also be advertised on Brampton Park Golf Club's website, including a direct link to your business's website.

With an average of 100,000+ clicks per annum and growing, our website is an ideal site for boosting your business.

Golf Course

Our corporate advertisement package includes an individual advertising sign on one of our holes on the golf course, sized 11.5cm by 49.5cm (which are provided by us with your own artwork).

With a thriving membership of over 800 members, our golf course is perfect for showcasing what your business has to offer to a variety of people, with around 40,000 playing the course each year.
